

WOMAN'S CLUB

The Woman's Club of Torrance was entertained informally by the president, Mrs. Frank Sammons at her residence 1434 Guadalupe avenue, Monday afternoon, October 30. The members were told to bring their work and also to come prepared to take part in the program and they came, a goodly number bringing their sewing, embroidery, crocheting, knitting and darning. After all had arrived Mrs. C. N. Curtiss, chairman of the program committee called upon each member in her turn to take part in the program while a few were bashful and asked to be excused the others all took part and a fine program was given as varied as the work they brought. Mrs. Richard and Mrs. Gordon Groves of Lomita each sang a group of two songs. Mrs. Kite "The Little Cares of Yesterday" and "Pirate Dreams," and Mrs. Groves "Where My Caravan Hath Rested," and "When Irish Eyes are Smiling," Mrs. J. M. Fitzhugh, who played the accomplishments for these ladies gave a short sketch of the life of Elizabeth Barrett Browning who wrote the poem "The Little Cares of Yesterday." Mrs. R. R. Smith gave two piano numbers. Mrs. J. S. Lancaster read a little rhyme which advised all to give our kind words and praise to the women we admire while they are living instead of placing it upon her tombstone "For She Cannot Read Her Tombstone When She's Dead." Mrs. H. E. Paige read two newspaper articles one dealing with the woman's party and the other the visit of Dr. Walter Hawdens of England to this country. Mrs. James T. Wise told of her trip to the east and of a motor trip taken while there of over seven hundred miles by herself and two sisters and never having to call upon a man to help them out of any difficulty. Mrs. W. E. Stewart read Robert Service poem "Grinning." Mrs. J. W. Post gave a quotation from Othello. Mrs. Paul Eby also gave a quotation. Mrs. Mabel Garner read the "Protest of a Flapper's Stomach" from the Literary Digest. Mrs. Frank Beckwith gave an exhibition of "Finger Gymnastics." Mrs. Willis Brooks reading "The Salutation of the Dawn." Mrs. Sammons read a description of the "Desert Play" to be given at Palm Springs near Riverside on November 4 and 5. Tea and cake were served and a silver offering was taken toward the building fund for the new Club house. The members of the Woman's Club of Torrance hope there will be another as enjoyable afternoon the next time there are five Mondays in the month.

The regular meeting of the Woman's Club will be held Monday November 6 at McKinley Inn, Cella avenue when Rev. Francis Zeller will talk on the Wright Law and Mrs. J. W. Post on the Soldier's Bond.

As the culmination of a romance begun when Joseph Blackwater of Torrance, was a student at Sherman Institute, Riverside of which he is a graduate, he and Miss Mae Chest a student at Sherman were married in Los Angeles by Justice Brown, Saturday. They will reside in Torrance.

Mrs. John V. Murray and son, Louis and Mrs. Michael Jessome returned Monday from a four months visit in Sydney, Nova Scotia. While they had a very enjoyable trip visiting in Boston, New York, Montreal, Detroit and Chicago, besides their old home Sydney they were glad to see sunny California again especially as they passed through two snow storms in their return trip.

The heat of red peppers takes the "ouch" from a sore, lame back. It can not hurt you, and it certainly ends the torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub, and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers.

Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.
